PRELIMINARY AMENDMENT

Prior to examination, please amend the above-identified application as follows. A marked up version showing the changes made is attached.

IN THE SPECIFICATION:

Please amend the specification as follows:

Page 19, lines 15-27, and page 20, lines 1-3, please substitute the existing paragraph with the following amended paragraph:

In the first to third embodiments described above, not the liquid crystal display that constructs the display device, a spontaneous emission type display such as a plasma display or an organic EL (ElectroLuminescence) display may be used. The present invention can be applied to any other electronic display when it forms and
